GREEN VALLEY SHOFAR

July 2022
Vol. 27 No. 7

President's Message

The Facilities Team, along with the Aesthetics Committee, worked to find a landscaping company to design and create a rebirth of our garden. Under the leadership of Jason Bernal, they cleaned, removed dead trees and plants, provided an all new up to date irrigation system, and planted cacti and desert hardy flowering plants.

Then, the fountain died, and our Facilities Team could not fix it. We were beyond lucky to find Dan Laetsch, also known as Dan the Pool Man, who created a natural looking rock made of concrete to house the electrical boxes and repaired the wiring so it is working safely again. See photo below.

A special shout out to Complete Landscaping and Dan the Pool Man for their excellent work, and to the Anonymous donor who made it all possible.

You can reach me by phone or by email.

Message from Rabbi Norm Roman

**A What/When/How Discussion held on June 23rd

Rabbi Norm's messages will resume in the next Shofar.
Shalom.

COMMITTEE REPORTS

ART GALLERY

The BSTC Art Gallery announces an art exhibition on loan from the Pima Community College Louis Carlos Bernal Gallery. Retired professors Wayne Gudmundson and Dieter Berninger joined forces to create a historical photograph display:

“WHAT PLACE IS THIS?”

Gudmundson’s silver gelatin prints document the contemporary locations of infamous and historic battles and violent acts in the area surrounding Tucson, Arizona. The photographs are accompanied by text in collaboration with historian and professor emeritus Dieter Berninger.

Carl Sandburg’s poem *Grass* inspired the work:
*“Pile the bodies high at Austerlitz and Waterloo,
shovel them under and let me work — I am the
grass, I cover all...What place is this? Where are we
now? I am the grass. Let me work.”*

The display will be shown from June 10 to August 12. The display is open during Temple events and by appointment. Call the office at 520-648-6690 for an appointment.

Venilda and Josh Migdal

Josh

I was born in Brooklyn NY.

At the age of 6, we moved to Israel. The influence for this decision was my grandfather who joined the Zionist Youth Movement in the 1920's and moved from Poland to then Palestine to help build the country. But after joining the Jewish Underground to kick the Brits out of Palestine and derailing a few trains, he became a wanted man, went back to Poland and migrated to the US. This story and the movie Exodus provided stimulus for the decision.

I basically grew up an Israeli. Joined the IDF and served during the 1973 Yom Kippur War on the Egypt front and participated in the taking of the Egyptian Fa'id Airport Entebbe style.

After the IDF, I helped build a Moshav on the Golan Heights called Eliad named after the famed Israeli spy Eli Cohen who was captured by the Syrians and executed in 1963. I was a Cowboy for a few years until I returned to the US in 1980. In the US I went to school and eventually worked for Boeing for 34 years until retirement. I was responsible for the Illustrated Parts Catalog (IPC). The airlines use the IPC to maintain their spare parts inventory. Without the IPC, they refuse to take the airplane delivery.

Now, in my retirement, I like gardening, traveling, reading and a bit of art. I managed to complete the first issue of a comic book. Ref cover for issue 2 below to give you the flavor.

In the 1990's I met my wife, Venilda, and life got a whole lot better.

Venilda AKA "Da"

Venilda was born and raised in Manila, the capital city in the Philippines where she spent an idyllic childhood singing, dancing and acting in school programs and plays, and avoiding outdoors because of the sun. Her mother instilled in her mind that sun is very bad for the skin. How ironic that now she lives in Arizona. She is fluent in both English and Filipino. Attended University of St Thomas, earning a Bachelor's in Banking and Finance.

Eventually she migrated to the USA around the same time as I did. Unfortunately, we would not meet for another 14 years at, of all places, an Israeli singles group! And bonded over our shared love of sushi. We knew immediately we were destined to be together.

Venilda began her career as a banker and loan

officer in beautiful sunny San Diego!

For the past 23 years, Venilda has been a Player Development executive in the gaming industry. She worked at several casinos in California and has many valued guests who follow her from casino to casino. Her professionalism, passion for guest satisfaction, and genuine interest in the guest has always put her at the top of the Casino Hosting lists.

Today, you can find Venilda in Casino Del Sol serving as an Executive Casino Host. Free buffet anyone?

Members are invited to SCHMOOZE!

BSTC member and comet discoverer, David Levy, put on another **star gazing program** at BSTC on the evening of June 1st for about 20 BSTC members. The night was beautiful, and David fascinated us with stories of his many years of searching the sky.

We are considering a possible Jewish tour of New York City or Los Angeles in the spring of 2023, led by Rabbi Roman, with the assistance of local travel agency Pleasurebent Tours.

If you have singing talent, temple member Laurie Sherman is looking for you! She is writing a temple play about her family's songs created for Walt Disney.

SECURITY

- ♦ If you are at a temple service or event and need to leave the building before it concludes, PLEASE contact the security shomer, so he or she can let you out. The security shomer will be located in the back corner nearest to the sanctuary exit door. If you are coming into the Temple after the beginning of a service or event please knock on the door and the security shomer will unlock the door and let you in. **We are seeking volunteers to share the Shomer duties!** Shomers must commit to arriving 30 minutes prior to the services or event for which they volunteer, and short on-the-job training will be provided.
- ♦ We thank our local SAV patrolmen and women who once again supported BSTC with their presence and traffic control during our recent evening astronomy program held in the BSTC parking lot. Just as we have when they support us during the High Holidays services, we have once again presented Commander Kenyon with a donation to their non-profit operations.
- ♦ Our new BSTC Guide for Emergency Safety Procedures is completed but will always be open to revision as we collectively identify the need for revision. **This guide is posted in the "members only access" portion of the BSTC website for your ease of access.** We will also conduct training on short portions of the guide periodically to help all of us better understand the content.
- ♦ Please **wear your nametag** whenever you are at BSTC for services or events. Thank you.
- ♦ Remember: **"If You See Something (suspicious activity), Say Something!"**

Your BSTC Security Team,

Les Bakke, Dan Galitz, Gary Friedman & Cliff Shekter

SISTERHOOD

Sisterhood will be leading the Shabbat service on July 8th at 7pm, at which they will be honoring the Sisterhood's past treasurer, Helene Feldman. Steve Maron will provide music on his violin and Laurie Sherman will lead the singing of liturgical melodies.

SOCIAL ACTION

There were two committee meetings in June to discuss the redistribution of responsibilities with the long-term absence of co-coordinator, Gary Melton, pending. The committee's other co-coordinator, Larry Gravitz, attended the second meeting by telephone. There are no more meetings scheduled until they resume in August, and will probably be re-scheduled to mid-August to better support our upcoming participation in the September 10th "Hunger Walk" and the October 9th "Walk Against Hate".

Continuing Projects:

- ♦ Collection of non-perishable food items on June 15th brought 21.2 pounds of food. **The next food donation collection will be Wednesday, July 13th from 8-11 a.m. in the BSTC parking lot.** Please come by and make a donation of food and/or money for the needy members of our community. THANKS!
- ♦ Although the committee is done promoting donations for the Sopori school supply drive at bagel breakfasts, **donations are still needed and being accepted in order to meet the collection goal.** Donations to this worthy cause can be turned in to Ed Brill, or to Stacy in the BSTC office, or use the envelopes for school supplies on the table in the lobby and deposit your donation in the office door's secure drop box.

Please stay active, safe and healthy this summer!
