## GREEN VALLEY SHOFAR

April 2021  
Vol. 26 No. 4

### President's Message

Sometimes I feel like a broken record stuck on Covid. For the past year it seems all my messages to you have been based one way or another on our attempt to keep BSTC active in light of our not being able to conduct normal BSTC activities.

Many of you have been asking now that the vaccine is available when we will be able to open the Temple. As I have explained to these people, Rabbi Roman has requested extremely limited attendance until he is able to be vaccinated in early May. As you will see in the Ritual Committee report, we hope to allow in person attendance in June.

According to CDC guidelines, small groups can now gather so long as social distancing is maintained. That is a problem in our building. The library and lobby tables are not big enough for more than 4-6 people and, while the sanctuary is big enough, I know from experience that holding a conversation with people at multiple tables is impossible.

The next question asked concerns Bagel Breakfast and other functions where food is served. Once again, we must follow CDC guidelines which still require masks to be worn. I haven't figured out how to eat with a mask on.

In the meantime, we will just need to keep going as we have been. Hopefully there is light at the end of this very long tunnel.

Until then, stay strong.

Ruthann

### Message from Rabbi Norm Roman

By the time that most of you will be reading this, the Passover Festival for 5771 (our second during these trying Pandemic times) will have begun. As everyone knows, this holiday is a time for asking questions. There are classic, formalized queries of the Haggadah which we recited at our Seder tables – whether in person, recorded or on Zoom. There are the “how are you?” and “what’s new?” discussions with those whom we have not been with in a while (again, whether in person, recorded or on Zoom). There are the family’s debates over recipes, melodies, afikoman hiding places, and one’s individual preference for hard or soft Matzah balls. There are the tests of knowledge which parents and grandparents devise to display their children’s knowledge in the presence of all who might listen . . .

Yet there are also more profound questions which can and should be posed in our families and community at Pesach time, despite the additional burden we have of coping with COVID and its impact upon us. For this a season to ask questions about our commitment, understanding, and hope for the Jewish future. Indeed, they are questions to be asked and answered throughout the year.

The Torah tells us that our children will ask us about the meaning of Passover: “What does this ritual mean to you?” The Rabbis consider this and give us various suggestions for their era and modes of education. But the questions persist – each generation asking, if not demanding, again and again – Why? They want to know and relate to the very foundations of Jewish life. And if we truly accept the commandment to re-live the Exodus “from each generation to generation”,

## **ADULT EDUCATION with RABBI ROMAN:**

### **Parashat HaShavua**

**Monday, April 12 at 10 am on Zoom**

### **Yom HaAtzmaut (Israel's Independence Day)**

**Thursday, April 15 at 10 am on Zoom**

then we must continue the discussion of what Exodus, Freedom, Faith, and Judaism mean to us.

Having read the Haggadah once again, we are all familiar with the description of four types of children/students. The Talmud counsels: "The parent must teach each child according to his/her level of understanding". And we also need to recognize that there are four types of Jewish parents/teachers, as well: the wise, the wicked, the superficial, and the one who does not know how to reply.

Passover time, the season of our freedom from slavery, our independence as a people, and the celebration of Spring, redemption, and renewal, is the ideal time for us as community leaders, parents and grandparents to ensure that we have our responses to the questions asked of us: are we doing enough to support Jewish life? Are we participating and learning and teaching enough? What can we be doing better – as spouses, family members, friends?

May the questions, answers, songs, prayers, recipes, and symbols of Pesach give us all renewed hope and confidence, especially this year! Chag Sameach!

## **TEMPLE TIDINGS**

### **Members Passing**

Longtime BSTC member and friend to many, Mel Roman, passed away on February 26th, following his wife, Dorrie, by nine days. May their memory be a blessing.

The family are extremely grateful for the support and fond memories which have been shared during these last few months.

Along with the Rabbi, they will be planning a memorial service in a few weeks to be held on Zoom, to mark the approximate 30-day ("Shloshim") mourning period. More information will be sent at that time, and all will be invited to participate.

Notice was also received that former BSTC president, Daniel Day, has passed away of a heart attack. Funeral services were held on March 12th at the Nogales Cemetery. His widow, Jiff, asked that BSTC members be notified. Updates will be shared if any are received.

\*\*\*

### **Notes From the Board**

BSTC's Board met for the March meetings via Zoom, continuing with this virtual platform until it has been determined that gathering in person is once again safe. Members are included and invited by eblast to join the General Board meetings. All are welcome.

The Board welcomes Gloria Clancy back to the Board to take over Dan Galitz remaining term.

Thank you to ALL members for renewing your commitments to BSTC!

## **MEMBERSHIP COMMITTEE NEWS**

something, please contact Jo Legat.

Anyone interested in joining this committee please contact Mike Finkelstein.

New members who have not done so in the past, please submit a digital photo of yourself and brief profile in order to allow the rest of the membership to know a little bit about each of you. Send your photos and write-up of your background, interests, and any Jewish activities you particularly enjoy to Mike.

### Member Photos

BSTC welcomes photos from our members to be shared in the Shofar, Schmooze and/or on our social media platforms. Send pictures to Mike with details.

### Members are invited to SCHMOOZE!

Now that we have spent a year in lockdown and can (hopefully) see an end in sight, please write something for the BSTC Schmooze and let us all know how you feel about this whole experience. ***Please send your comments, story and/or photos to Ricki at [ricki@letowt.com](mailto:ricki@letowt.com) for upcoming editions of The BSTC Schmooze.*** Then, watch for the BSTC Schmooze to come in your email!

Men's Club members last community Bagel Sale fundraiser raised almost \$400 for the Sopori School Supply drive. The next sale is planned for Sunday, April 18th.

A Kvell & Kvetch session is planned for Sunday, April 4th, outdoors in the BSTC garden.

\*\*\*

## PROGRAMS—ZOOM IN

### Wednesdays at BSTC

Temple member Bev Lake made a presentation on an archeological dig she was on the last couple of years in North Dakota. If you could not attend, the presentation is posted on our YouTube channel, which can be accessed via the BSTC website. As a reminder: most of the services, classes, presentations and studies from late April 2020 through the present are now on-line and can be found by clicking on the "Please click HERE for the videos" link on the BSTC website. They are normally posted on-line within 24 hours of the event.

Planned for **Wednesday, May 19th** is a presentation by BSTC member Don Berk that correlates catastrophic events in the Tenach (Genesis and Exodus) with historical solar eruptions. There is strong evidence that the sun as a variable star enters a "nova" stage about every 12,000 years with intermediate lesser flare-ups that can have drastic impacts on the planet. Be sure to join us for this interesting talk!

Topics for future programs include speakers on the upcoming Israeli election; on Jewish themes in the Folk Music of the 60s and 70s; on Jewish history; and on Islam.

### MOVIES ON ZOOM

We showed the movie *Paper Clips* about how a principal, a teacher, and a small town transformed them-

selves in teaching about the Holocaust and sent an impactful message far beyond its borders.

The committee will continue to offer movies, presentations and other programs for the coming months, scheduling most of them for Wednesdays at 1 p.m. on Zoom. Screening on April 21st will be two documentaries: *Not in Our Town* and *Waking in Oak Creek*.

***Invitations to these events will be emailed shortly prior to the screening dates.***

Contact Mike Finkelstein or Les Bakke with any questions or suggestions, or if you would like to join the Programs committee.

\*\*\*

### **JIM CLICK RAFFLE**

Win a car! Donate to BSTC at the same time!

The 2021 Jim Click Raffle has begun. The three great prizes this year are: a new 2021 Ford Bronco Sport, two first class roundtrip tickets anywhere in the world, or \$5,000 cash. Tickets are \$25 each or five for \$100 and 100% of your ticket purchase goes directly to BSTC. Contacts are Steve Abrahams or Ed Gold or call the BSTC office for more information.

***BSTC has already raised \$400 from this new raffle!***

\*\*\*

### **RITUAL**

Rabbi Roman and the Ritual Committee want to thank everyone for their understanding these past few months as we have had to extremely limit the number of people attending Shabbat services in person at the Temple. Our thinking now is that by our June 4th service the vast majority of our members, including Rabbi Roman, will have been fully vaccinated and we will be able to allow in person attendance as long as social distancing is maintained. Masks will also continue to need to be worn. There will be no food served. This thinking is based on current CDC guidelines. Of course, if the CDC guidelines change between now and then we will adhere to the updated guidelines.

We are also happy to announce that on June 4th we will also return to our 7 p.m. start time for Friday night services. We will continue with this time until October when we will return to an earlier start time so that those in attendance will not need to drive home in the dark.

*Ruthann*

\*\*\*

### **SISTERHOOD**

The Sisterhood's new membership chair, Bobbie Vishner, reported at the Board meeting that the group's outdoor gathering at Sahuarita Lake on March 16th at 11 a.m. to celebrate her 10th anniversary of remission was postponed until April 20th due to inclement weather that day. They are hoping to begin gathering again monthly, outdoors as weather permits.

\*\*\*

### **SOCIAL ACTION**

This month's meeting was Wednesday, March 31st at 3 p.m.

#### Continuing Projects:

- ◆ Provide 100 more motivational quotes to the YOTO program students in February.
- ◆ Collection of non-perishable food items and

money donations will continue until all our congregation members feel safe to attend regular activities and services. First March collection equaled **14.2 pounds** and the March 31st collection included a large amount leftover from an event held at the VFW a couple weeks prior.

- ◆ The fundraising for student school supplies for Sopori Elementary School in Amado for their 2021-22 school year begins this month. The BSTC Brotherhood donated almost \$400 from the last bagel fundraiser to this good cause, seeing us already 40% closer to our annual \$1000 goal. THANK YOU!

#### Other Social Action Activities:

- ◆ Larry Gravitz continues to work with the A4a Immigration Action Team and keeping our community informed on immigration issues and finding ways we can all become more involved in working on resolving immigrant problems.
- ◆ Monthly food donation drop-off days at BSTC will continue until all congregation members are safe to attend regular Friday evening and Saturday morning Shabbat services, and normal activities are held again. **April collection dates are: Thursday, April 15th and Tuesday, April 27th from 8-11 a.m. at BSTC.**
- ◆ The Social Action committee is sponsoring two social action documentaries this month on April 21st "Wednesday Afternoons at BSTC".

The Social Action Committee wishes all BSTC members to stay positive, get their vaccinations as soon as possible, and stay healthy!

\*\*\*

#### **TORAH STUDY**

Torah Portions are included for members in the table below and on the Active Calendar on the BSTC website. Torah Study is meeting via Zoom virtual platform. All are welcome. Invitations are emailed weekly.
