## GREEN VALLEY SHOFAR

March-April 2023  
Vol. 28 No. 2

### President's Message

My Fellow Congregants,

As I write this message, I am looking forward to my first meeting with the new Board of Directors. They are enthusiastic, as I am, to fulfill our obligations to all of you. All of us are available to you for any concerns and/or suggestions.

At our Annual meeting after a presentation by our Security team, as well as the Security Directors of the Jewish Philanthropy of Southern AZ (formerly the Jewish Federation), and a Q and A discussion with the Congregation, the Secondary Security Enclosure project was approved by the Congregation. This project will enhance security access to our facility.

We have lots of upcoming activities in March. Do not forget the Purim & Megillah on March 6th as well as the many religious, social and educational activities during the month. Check the Shofar for items of interest to you by logging into our BSTC online site where there is an active calendar with the latest as well as future upcoming events. Also the upcoming Passover Seder will be held at the Desert Diamond Conference Center on Pima Mine Road this year on April 6th. RSVP as soon as possible because space is limited and no late reservations will be allowed.

We are still working on every other month of having an eblast for the Shofar. Your comments and suggestions would greatly be appreciated.

I may be reached by phone or email.

Let us continue this wonderful journey together.

Dan Galitz

### Message from Rabbi Norm Roman

#### This is Who We Are as Jews – 2023

Festivals, celebrations, challenges and questions. These will mark the next two months at BSTC, and throughout the Jewish world. Please watch your emails and the website for details . . .

**March 6th** Our own "Not Ready for Prime Time Players" will return for this year's Purim Spiel, entitled 'Megillah on the Roof'! Join us for not only a traditional reading of the Book of Esther, along with delicious hamantaschen, but for the creative sing-along of 'Fiddler' from Broadway melodies, helping tell the updated story of our most joyous holiday. And please consider bringing a box of non-perishable food (e.g. macaroni & cheese or rice) to use as a grogger/noisemaker and then donate to the Food Bank.

**March 26th** Beth Shalom will host an important panel discussion on 'Anti-Semitism – Historical and Current Perspectives'. We are inviting speakers to educate us with background about Jew-hatred and persecution (certainly related to the themes of both Purim and Passover), a report about conditions on the University of Arizona as well as other college campuses, and what communities like ours are doing around the country in response to increased threats and attacks. Increasing security is only one aspect of what we can be doing in 2023. We will hear about and discuss some other ideas, too.

**April 6th** You are invited to join the Congregation and friends for our Second Night Passover Seder, to be held at (and catered by) the Desert Diamond Conference Center. Everything will be provided for you, so come, sit (actually, you should traditionally

recline), read along in the Haggadah, sing familiar holiday songs, ask (at least) 4 questions, and celebrate the Season of our Liberation from Egypt. And incidentally, if you need a place to be for the First Night, or if you will have room at your Seder and can host more guests who might be looking, please let us know and we'll try to serve as Pesach Matchmakers!

**April 30th** The Jewish Community of Tucson will be sponsoring an 'Israel at 75!' Day on the grounds of the JCC, from 12:00-4:00 pm. Fun, projects, education, music performances, food and even Israeli dancing will make for a large, exciting event. We are trying to arrange for shuttle bus transportation to and from the program, for those who choose not to drive from Green Valley. And BSTC will have a booth there, as well – promoting our Temple, sharing the recent experiences in Israel of some of our members, and sending "Mazel Tov, Israel - Happy 75th Birthday!" cards to children and new immigrants. [We will celebrate Yom HaAtzmaut, Israel's Independence Day, as a Congregation with special prayers and songs on Friday night, April 28th.]

I hope that you will join us, in person or in spirit, at any or all of these activities. For the themes, memories and challenges of these significant dates in our early Spring calendar heighten our experiences as Jews. And there is a special sense of strength which we feel when we mark these observances together . . .

Shalom,

Rabbi Norm Roman

## MEMBERSHIP COMMITTEE NEWS

### Welcome New Members!

A warm BSTC welcome to new members, Peggie and Colleen Soltis-McGraw, and welcome back to Renee Villani!

### The Member Badge drawers have been tidied up!

Due to the growth in temple membership and the existing mix of badges, chain, and magnets, we were often faced with trying to separate them. The Membership committee discussed this, converting ALL badges to the magnet style, eliminating most chains. (If a member prefers to have a chain for medical reasons, please let Mike Finkelstein know.) The drawers have slots to place your badges in, and three drawers so badges can be sorted and stored alphabetically. Thank you to BSTC member, Connie Greenwald, who built and installed dividers in each drawer to further separate the badges.

BSTC welcomes photos from our members to be shared in the Shofar and/or on BSTC's social media platforms. Any new members are encouraged to send biographies and/or photos to share. Send any pictures and biographies to Mike with your request and details.

Anyone interested in joining this committee please contact Mike Finkelstein.

\*\*\*

## MEMORIAL BOARD

The Memorial Board committee is showing several RESERVED plaques on the new board. Members may opt to reserve places for themselves and/or loved ones. The cost is \$300 each. Contact Joyce Finkelstein for more information.

\*\*\*

## MEN'S CLUB

The New Year's Day BBQ party that was postponed to occur instead as the Romeo & Juliet dinner on February 14th was changed at the last minute to a pizza party when the caterer didn't show up. Later it was learned that the Highway Patrol had stopped them and condemned all the food in the caterer's truck, including the special cake to celebrate the vow renewal ceremony, due to having been exposed to a nitric acid spill on the interstate as they were driving to be at the event. The caterer ended

up in the hospital, as well, from the exposure to the fumes. Fortunately, the spill did not affect the Green Valley area directly, and those gathered for the event were safe and still able to celebrate renewal of their love.

The program was recorded and is available to view on BSTC's YouTube channel. Matt mentioned a film called *Turn Left at the End of the World* which takes place in a small Negev development town in 1968 and narrates the struggle of Moroccan and Indian olim (those who make Aliyah), focusing on the relationship between two girls.

## SECURITY

Your 2023-24 Security Committee is Gary Friedman, Les Bakke, and Cliff Shekter. Remember: "If You See Something (*suspicious activity*), Say Something!" and, please, let one of us know.

With the approval of the Board, along with a Congregational vote at the Annual Meeting, the installation of a Secondary Security Enclosure to enter the temple has been contracted. This is partially paid for by the \$5,000 grant awarded to BSTC in July 2022 by the Jewish Philanthropies of Southern Arizona.

The Temple is looking for Shomeer, volunteers to assist as security at Temple events. If interested, please contact Gary Friedman for more information.

If you are at a temple service or event and need to leave the building before it concludes, PLEASE contact the security Shomeer, so he or she can let you out. The security Shomeer will be located in the back corner nearest to the sanctuary exit door. If you are coming into the Temple after the beginning of a service or event please knock on the door or ring the doorbell and the security Shomeer will unlock the door and let you in.

Our new BSTC Guide for Emergency Safety Procedures is completed but will always be open to revision as we collectively identify the need for revision. **This guide is posted in the "members only access" portion of the BSTC website for your ease of access.** We will also conduct training on short portions of the guide periodically to help all of us better understand the content.

Please **wear your nametag** whenever you are at BSTC for services or events. Thank you.
