GREEN VALLEY SHOFAR

April 2025
Vol. 30 No. 4

President's Message

Coming to BSTC helped me realize how community is so very important. Before coming here I was fairly traditional in my religious practices, walking to shul for services, holidays and especially the high holidays making seders, having friends over for break fasts or Friday night dinners. Of course it was relatively easy, we lived within walking distance to the synagogue. I even got to walk to my wedding as it was in the same place I grew up in and went to Hebrew school.

It was the same when we moved to our next place. While not in walking distance to my synagogue, we would stay with my mother to celebrate holiday's together and to travel to synagogue. Serendipitously our next move was also a block and a half from us and where I became quite active.

With our move to Green Valley, things became more problematic. I thought we would just be here for a few months but we ended up moving here and it became harder to keep up some of my traditions.

I was ok traveling to services Friday evenings and Shabbat mornings but I couldn't bring myself to come for Rosh Hashanah and Yom Kippur. But something was missing, and I felt it greatly. It was the sense of community, of coming together to hear the tunes, The prayers, phrases and greetings for an easy fast, a good year, and of celebrating triumphs and tragedies together.

Last year I was prepared to give up another tradition, but was able to celebrate Pesach with my family in NY and NJ while keeping the traditions of eating matzah and leavened stuff.

President's Message continued

But this year I am truly looking forward to celebrating Pesach with my BSTC family who has welcomed me so warmly and well. While Teyve may sing out about "Tradition" I would truly like to sing and shout out about Community – family, friends, neighbors, I hope many of you will consider coming together as a community as we tell the story of how once we were slaves in Egypt. Chag Samea.

I shall pass this way, but once. Therefore, let me do what little I can now since I will not pass this way again.

Let us continue this incredible journey together,

Esther Levine Brill

President, BSTC, Board of Directors

Embracing Change: Finding Stability in a Moving World

Many older people ponder why can’t anything ever just stay still? It’s a question that resonates deeply, especially as we age. So much of life—our bodies, relationships, and sense of purpose—seems to shift beyond our control. This constant change can feel unsettling, yet resisting it often leads to frustration and grief.

Aging brings undeniable challenges. Health issues arise, energy levels fluctuate, and roles that once defined us—parent, worker, caregiver—may fade. Society often compounds this struggle by glorifying youth, pushing the idea that we can outrun time if we just try hard enough. But denying aging can be more painful than accepting it. Instead, we can focus on what remains within our power.

Here are a few ways to navigate these changes with resilience:

1. Adjust Expectations – It’s natural to wish for continued closeness with family and friends, but their lives evolve, too. Softening expectations and broadening social circles can ease feelings of loneliness and foster new connections.
2. Recognize Your Value – Age brings experience that younger generations lack. Whether through mentorship, storytelling, or community involvement, your perspective and wisdom matter.
3. Redefine Purpose – If past roles no longer fit, create new ones. Volunteering, hobbies, and life-long learning can provide a renewed sense of meaning.

Nothing stays still—but by embracing change rather than resisting it, we can continue to find joy, purpose, and connection at every stage of life.

GRANTS

At December’s board meeting, the Board voted to establish a **Grants Committee** to help secure funding for Beth Shalom Temple Center’s vital programs and initiatives. This is an exciting opportunity to make a meaningful impact, and we’re seeking a chairperson and members to help lead this effort.

Initially, the committee will focus on:

- Identifying grant opportunities that align with our temple’s mission and goals.
- Writing grants and learning and teaching ourselves and other members how to write grants effectively.
- Learning how and where to do grant research.
- Securing funding to support our temple’s programming, improvements, and outreach.

This work is critical to ensuring our community's continued growth and success. While the responsibility is important, the time commitment is manageable—just a few hours each month to meet, collaborate, and work on applications.

No prior experience is necessary—training and resources will be provided. However, if you do have experience, we'd love to have your expertise on board! Enthusiasm, dedication, and a willingness to learn are all you need to get started.

If you're interested in chairing or joining the committee or would like more information, don't hesitate to contact the temple office or directly to Esther Levine Brill, Beth Shalom Temple Center's Board President.

Thank you for considering this opportunity to support BSTC in an impactful way. We look forward to hearing from you!

Warm regards,
Esther Levine Brill
President, Beth Shalom Temple Center

Programs with Rabbi Norm:

Yom HaShoah Zoom Program

On Thursday, April 24th, from 12 to 1pm, we will offer a Zoom program for Yom HaShoah (Holocaust Memorial Day), featuring guest speaker, Lois Roman (no relation to the Rabbi), a Trustee of the Memorial Scrolls Trust, the London-based organization which oversees the legacy of more than 1,500 Czech Torah Scrolls that survived the Shoah. Ms. Roman has earned an M.A. in Holocaust Studies from Yeshiva University, a further M.B.A. from Columbia, and her undergraduate degree from Brandeis.

The program will discuss the miraculous story of this huge hoard of sacred Scrolls, as well as an update on the present-day Jewish Communities of the Czech, Bohemian and Moravian villages from where they came—most of them originally from the 19th century.

Many of our BSTC members’ former Congregations, and several Arizona synagogues, have MST Torahs on permanent loan. They are “a symbol of hope as well as of sorrow.”

All are welcome to join us **Thursday, April 24th from 12-1pm on Zoom (link will be emailed)**.

Please contact Rabbi Norm for further information.

Food donations are always needed. Please consider bringing non-perishable food items to the temple as often as possible. Men's Club, Sisterhood, Services, Bagel Breakfast are wonderful opportunities to drop off a donation.

The most needed items are cereal, peanut butter, instant rice or potatoes, beans, regular rice, canned soup, canned veggies, canned meat or fish, mac & cheese, canned tomato products, and soup packets that only require hot water.

(see photo below) They are always in need of pet food and we were happy to help out. 137 pounds of dry dog and cat food was portioned out into baggies. In addition we sent 31 cans of wet food and 67 packets of cat
